

## 1 .Product Information:

**Material: ABS**

**Size: As Shown**

**Weight: 1150g**

## 2 .Package Includes:

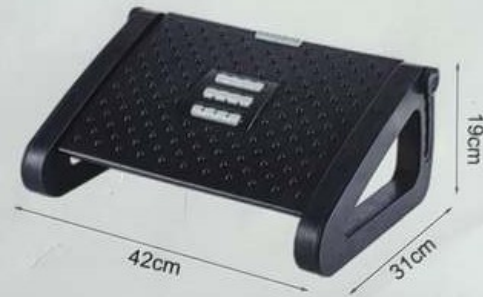

**1 x Footrest pedal**

**2 x Footrest connector**

**2 x Screw cap**

**2 x Screw**

**1 x User manual**

## INSTALLATION STEPS

1. Check whether you received all the parts and put them together as the picture.

2. Put the connector of the bottom left corner of the pedal into the upper hole.

3. Pull the pedal down to the lowest position, then they are connected together.

4. Choose the perfect height for you and put the screw in it.

5. Tighten up the screw.

6. On the right side, repeat steps 2 to 5.
